

2ND ARMORED IN EUROPE PRESENTS...

BULLETIN N°02

REGISTRATION

This is the official registration bulletin for the Red Horses Ride Again 2027 trip! All who plan to attend this trip to portray U.S. troops are required to fill out the Participant Entry Form.

<https://forms.gle/s2ia3Uuv3ksp7Yqo8>

This form is in both English and *French*. Please read the questions and answer accurately. If you do not know an answer to a question yet, skip it and we can fill it in later.

This is the first step in joining what will prove to be a very exciting trip! Later, we will post Bulletin No. 03, which will outline the deposit and payment schedule. Only those who've filled out the registration form here will receive future bulletins and be looped in on trip details as they are ready for release. If you're set on attending, do not wait to fill out the Entry Form!

If you're still unsure, revisit the info in Bulletin No. 01, talk to a Country Coordinator in your region and find out exactly what you'll be missing!
